The instant application has been examined. Claims 1-27 are allowed.

16

The following is an examiner's statement of reasons for allowance: The claimed invention is deemed unobvious over the cited art of record because such art does not teach or reasonable suggest the overall aspects of a composite laminate structure having improved damping characteristics, comprising a damping lamina having from 40 to 70 wt % fibers impregnated within a first thermosetting resin matrix in combination with a structural lamina having from 40 to 70 wt % fibers impregnated within a second thermosetting resin matrix and wherein the first resin is present in the viscoelastic state and the second resin is present in the glassy state.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

17

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
